

Enclosures.

26th February, 1949.

Dear Sirs,

S. With reference to your report No.105843 on the Steamer "PARIS CITY", I enclose herewith subsequent correspondence which has taken place regarding the indented plating noted at the bottom of Page 4 of the report in this case. Your attention is called to Mr.Stocks' letter of the 25th from which it is inferred that the Owners' Superintendent understood you were quite satisfied with the plating in question and that it would not be noted on the certificate even as an endorsement.

Please let me have your comments on the suggestion made in the last paragraph of Mr.Stocks' letter, and return the enclosures with your reply.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
NEWCASTLE-ON-TYNE.
