ENCLOSURES

71, Fenchurch Street, E.C.3.  
22nd February, 1949.

Dear Mr. Stocks,

With reference to our talk today regarding the "PARIS CITY", I enclose herewith the deferred reports and shall be glad if you will arrange to call upon Mr. Liley and explain the Society's new procedure in regard to the noting of blemishes on official certificates.

As was explained to you today, the minor indents referred to in the Newcastle Report seem to be of a very trivial nature and if necessary I shall be pleased to take the matter up further with them should the Owners, after your explanation, still consider they should not be included as an "endorsement" on the back of the certificate.

Yours sincerely,

C. H. Stocks, Esq.,  
CARDIFF.
