The Secretary,

LONDON.

Dear Sir,

"RUNIC"

We have to acknowledge receipt of the 1st Entry R.M. Certificate for the above vessel.

The date of completion (20/3/50) and issue (21/3/50) and the number of separate chambers (21) have been inserted on the Certificate as requested.

In reply to the paragraph  $\bar{r}e$  number of chambers, we have to state the figure of 29 is inaccurate, 21 being the correct number. We are obliged to you for drawing our attention to this error.

Yours faithfully,  
The Surveyors.
