# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

Enclosure.

17th March, 1950.

Dear Sirs,

s/s "R U N I C".

H.

I have to acknowledge the receipt of your letter of the 15th instant relative to the refrigerating machinery and appliances of the above named vessel and with regard thereto I enclose the First Entry R.M.C. Certificate as requested.

I shall be glad if you will insert thereon the dates of completion and issue and advise me of the same as soon as possible.

Further I shall be glad if you will confirm that there are 29 separate chambers at the present time in this vessel and in this connection I would draw your attention to the specification regarding the omission of cargo doors and longitudinal bulkheads etc. The number of chambers has accordingly been omitted from the Certificate now forwarded and you should therefore enter thereon the actual number prior to issue. I shall also be glad if you will advise me on this point.

I may add that the Certificate should only be handed over if these items are in order.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
BELFAST.
