19th August, 1931.

Dear Sirs,

M. With reference to your freeboard report and verification of marking form forwarded in respect of the T.S.S. "STRATHNAVER", Messrs. Vickers-Armstrongs' No. 663 ship, I think it well to inform you that this case has been discussed with the Board of Trade and it has been agreed that the freeboard of 8'8" will apply during the Summer Seasons only, and that a Winter line 7" below the centre of the disc shall be marked on the vessel's sides.

When this has been done you should therefore forward an amended verification of marking form.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BARROW.
