

T.S.S. "STRATHNAVER".

It is submitted the Barrow Surveyors be informed, with reference to their freeboard report and marking form for this vessel, that the case has been discussed with the Board of Trade and it has been agreed that the freeboard of 8'8" will apply during the Summer Season only, and that a Winter Line 7" below the centre of disc shall be marked on the vessel's sides.

When this has been done they should forward an amended verification form.
