LLOYD'S REGISTER OF SHIPPING

71, Fenchurch Street, London, E.C.3

Telegraphic (Inland) Committee London, Tele-

Wm. FRANCE, FENWICK & CO. LIMITED
S.S. "INDIUM"

A Special Survey fell due in November 1960 and as the result of an examination at Cardiff in November 1961, the Committee agreed to class maintenance until the end of February 1962. Since that time the ship has been laid up in the Tyne awaiting the Owners' decision as to her future.

In reply to a telephonic enquiry, Mr. Philipps of Messrs. Wm. France Fenwick & Co. Ltd., states it would be very helpful if we could see our way to permit the particulars in the Register Book to be left without any qualifying notation of surveys overdue until the end of next month, by which time he feels confident the Owners will have reached a definite decision.
