Dear Sirs,

"INDIUM"

With reference to your letter of the 2nd instant, I return the Load Line Certificate and copy which have been amended to include the voyage to the Tyne, provided this is completed by the end of the present month and on the understanding that the hatch beams, covers and tarpaulins are in place on the sand hold hatch and properly battened down with locking bars or wire rope lashings, also that the ducts from the hatch to overboard are closed watertight with sliding panels and hinged steel shutters provided for the purpose.

Yours faithfully,

pro Secretary
