Dear Sir,

M/V "KING ALFRED"

Your letter of the 1st. instant with enclosures concerning the advancement of the Continuous Survey of the above vessel received.

A visit was made to the local Superintendent's Office today. Mr. Rooks is out of town at the moment, but his colleague shewed me copy of a letter sent to the Chief Engineer last February instructing him to have the Continuous Survey advanced as opportunity occurs, particular attention to be paid to the Bottom and Top ends. A further instruction will be given to the Chief Engineer in the next letter. A copy of the 7E form was given to Mr. Rooks colleague.

Yours faithfully,

*Hannah W. G. Paton*

The Secretary,

LONDON.
