Dear Sir,

M.S. "HAVBRAUT".

Ans'd

The owners contemplate to remove the machinery from the ship and refit the same in a steel trawler recently bought from Germany (with G.L.class.)

It is also understood that application has been sent to the Ministry of Fisheries regarding a fund for condemnation of old fishing ships.

The "HAVBRAUT" is at present laid up at Stord and may be condemned, pending results of the above. We will be informed in due course.

The Secretary,
London.

Yours faithfully,
THE SURVEYORS,
Per
