20th August, 1956.

Reference **The Secretary,**
Classn (S) London.

Dear Sir,

"KYLOE".

Newcastle Report No. 113523.

With reference to the enquiry contained in your classing letter of the 14th instant, we have to confirm that the shell thickness furnished for D strake, port side aft, does not indicate the general condition of the plating and is only a locally wasted spot.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS.
