The Secretary,

Lloyd's Register of Shipping,

LONDON.

Dear Sir,

m.v. "AJAX"

We are in receipt of your letter of 23rd April, 1951 concerning the above named vessel, and the Classification of her Refrigerating Machinery & Appliances.

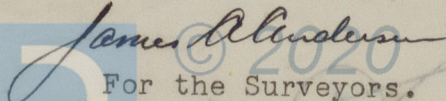

The CO<sub>2</sub> compressors and brine pumps were opened up for Survey at Yokohama whilst the remainder of the survey was carried out at this Port. It was not possible, however, to complete the Classification, ~~as~~ the Plant has yet to be inspected under working conditions.

The New York Office has been notified of the outstanding item to complete S.S. for Classification.

The fee charged at this Port represents 60% of twice the S.S. scale fee.

The First Entry Report is attached herewith, along with copy of Interim Certificate; whilst your Rpt.17 (in red) is returned.

Yours faithfully,

  
For the Surveyors.

P.S. - The Rpts. 8 & 9 and Interim Certificates in respect of hull & machinery surveys held on this vessel are also attached.
