LLOYD'S REGISTER OF SHIPPING

Port SOUTHAMPTON.

9th April, 1958.

This is to Certify that I have partly

the boiler of the S.S. "SUNFLEET" 939 tons gross of
the 8th and 9th April, 1958, while the vessel lay
at Portsmouth on account of failure of a boiler tube on
9th April, 1958, during a voyage from Dunkirk to Portsmouth,

I have transmitted to the Committee of Lloyd's
Shipping, London, a Report stating that all repairs
made by me have been completed to my satisfaction, and
I have Recommended that she be continued as classed
as a fresh record of survey subject to all pitted and
cracked boiler tubes being renewed on the vessels arrival
at East Coast Port direct from Portsmouth.

I carry

H.C. Rogers.

Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
