No. 4330b.

Port of Sourabaya, Java;

28th of January, 1941.

This is to Certify that

Joh. F. Vrouwes, -----

the undersigned Surveyor to this Society did at the request of The Owners' Representative at this port, hold a survey on board of the Dutch ms. "KOTA INTEN" of BATAVIA, 7211 tons gross. No. 77746 in Lloyds Register Book 1940/41, on the 16th day of January 1900&fortyone and subsequent dates, while vessel was lying afloat at this port, in order to ascertain the fitness of the Lower hold Port deep after deeptank in Hatch No. 4 for receiving Palm oil in bulk as cargo and report as follows:

The lower hold port after deeptank has been tested by a head of water as required by the Rules and found sound and tight, double bottom-tank under said deeptank tested with deeptank empty and found sound and tight. =====

The bilge and ballast connections have been blanked off, and the heating coils fitted, tested and found sound and tight. =====

The above mentioned deeptanks have been finally examined on the twentyfifth day of January this year, and were found clean, free of rust, paint, scale, residue and moisture, and fit for proper carriage of Palm oil in bulk to destination. =====

A copy of this report has been sent to Lloyds Register of Shipping Office in London. =====
