LLOYD'S REGISTER OF SHIPPING

71, Fenchurch Street, London, E.C.3

12th June, 1958.

Dear Sirs,

Steamer "TRIBEAM"

A letter has been received by the Society's Surveyors at Kobe from the Sanko Steamship Co. Ltd., Osaka, in which it is stated that this vessel will be laid up from the end of May until the end of November next.

I have to inform you that the Committee will, of course, allow the class to remain during the lay-up period, but I shall be obliged if you will give me timely notice when it is decided to place this ship in service again, so that the survey requirements prior to recommissioning may be made known to you.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
