

STANVAC NAIROBI

IT IS SUBMITTED Mr. Evans of the Owners be informed, with reference to the recent telephone conversation regarding the proposed loading for the voyage from the Persian Gulf to the Mediterranean Area proposed by them, i.e.,

"Loaded all tanks except No.1 across the ship and wing tanks Nos. 5 and 8"

has been examined from the longitudinal strength aspect and found in order.

The Owners' copy of the capacity plan loaned to this office should be returned.
