Dear Sirs,

Motorship "STANVAC NAIROBI"

With reference to our telephone conversation of this morning, and to your request for the Society's minimum requirements to allow this ship to proceed in ballast from Hong Kong to the Persian Gulf, thence with cargo to a Mediterranean port and finally to an Italian port to lay up, I have to acquaint you that the Committee have agreed to the ship undertaking this voyage provided for the ballast passage from Hong Kong to the Persian Gulf she is so ballasted that the stresses in the top sides and bottom are kept to a minimum. The Committee therefore ask that you submit your proposals for the arrangement of the ballast condition before the ship leaves Hong Kong.

Yours faithfully,

c.c. Hong Kong
