Dear Sirs,

m.v. "STANVAC NAIROBI"
Steel Renewals

With reference to your letter dated 10th January, 1962 also the discussion held in your office between your Mr. Cheshire and our Mr. D.W. Evans on 4th January, we have received a request from Socony Mobil Oil Co. Inc., New York for clarification of a query they have raised. We quote the following paragraph:-

"We would appreciate receiving additional information as to why Lloyd's require renewal of two deck strakes throughout half the length of the ship for wastage over 17% as mentioned in your letter."

An early reply from you on this matter would be gratefully appreciated.

Yours faithfully,
