Sirs,

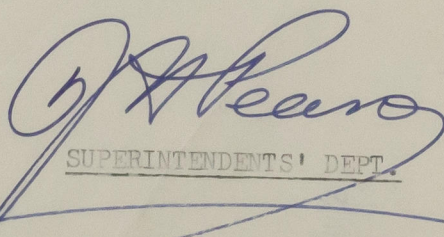

m.v. "ETTRICKBANK".

We thank you for your letter of the 1st instant, regret the delay in carrying out the General Examination of the vessel, but she had to be diverted away from Calcutta last month in order to take the berth in South Africa of our m.v. "ETTRICKBANK", which latter vessel had been seriously delayed in Africa.

She is now due at Calcutta towards the latter part of the month, and arrangements have been made for her to drydock at that time and for interim surveys to be duly dealt with.

We trust these arrangements will meet with the approval of your Committee.

Yours faithfully,

SUPERINTENDENTS' DEPT.
