Dear Sir,

Messrs. Alfred Holt & Co., propose fitting Wing Tanks in the No.3 Tween Deck of the "AGAMEMNON" for the carriage of Latex, etc. The work involved will probably be carried out at Singapore.

They accordingly have forwarded the enclosed plans in duplicate, for approval.

They add that as in recent similar cases, they do not intend to fit any drip trays or sparring against boundary bulkheads.

Will you kindly indicate your approval as soon as possible, as the matter is rather pressing.

Yours faithfully,

Secretary to the
Liverpool Committee.

The Secretary,
LONDON.
