Lloyd's Register of Shipping.

No. 12114

Port of HONG KONG

23rd July, 1954.

This is to Certify that I have

Surveyed the Boiler and Machinery of the M.V. "AGAMEMNON" 7829 gross tons, of Liverpool, on the 28th June and subsequently, whilst the vessel lay afloat and dry docked at this port,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of MBS CS with date,

be made in the Register Book in the case of this vessel when the survey has been completed, subject to all outstanding conditions of class being dealt with as previously recommended.

Parts now examined:—

Main Engine No. 7 port & No. 8 starbd, cylinder covers, cylinders, pistons, piston rods, crossheads & their bearings.
Port ford diesel generator engine.
Port main salt water circulating pump.
Starbd main salt water circulating pump.
Auxiliary salt water circulating pump.
Aft general service pump.
Ford steering gear pump and its air motor.
Aft steering gear pump (Electric).
All sea valves and cocks opened out.

(Signed) David F. Brooke-Smith.

Engineer Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
