QUESTION

ANSWER

With reference to the entry in the Special Reasons List, I shall be glad to learn what arrangements have been made for the hull limit to receive attention.

The machinery condition of class was dealt with at Liverpool in January, and has now been reported, but nothing appears to have been done as regards the hull.

We are unable to assist you in this matter as the vessel is neither owned at or operated from this port.

It is understood that she is operating from Fleetwood and perhaps our Surveyor at that port can furnish the information you require.
