VESSEL'S NAME Stl. Sc. "MAUDIE" Rpt. Via. No. 2451

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 2A/5/92.)

Nature of Survey

The Christiania Surveyors report this vessel placed in dry-dock; bottom examined and found in order.

Alterations have been effected in accordance with approved plans and to the Surveyors satisfaction with a view to whale oil and other oils being carried in bulk.

It is submitted the vessel appears worthy to remain as classed with the notation "Fitted for carrying whale oil or other oils in bulk having a FP above 150°F" and record of Survey 9.22 as recommended.
