ANSO.....

Reference

Dear Sir,

In reply to classing letter of the 20th inst. the length of poop has been amended because the poop bulkhead has been shifted forward in connection with alterations to crews accommodation. Your remarks regarding shell drillings are noted and it is regretted that in this case the drillings were not submitted earlier.

Yours faithfully,
The Surveyors,
per.-

In R.O. poop = 39'
In Report = 34' 10"
F.E. = 38.6'

The Secretary,
LONDON.
