Enclosure

18th March, 1937.

Dear Sirs,

I have to acknowledge the receipt of your two cablegrams reading as follows:-

"Midship section and longitudinal section Maudie
"in my possession Stop Vessel strengthened with webframes and
"holdstringers about 3 feet wide obviously fitted when using
"vessel for whaling Stop Owners desire remove webframes and
"holdstringers Stop Please wire acceptance".

"My wire this day concerns steamer Angra ex Maudie"

It would appear that the vessel is no longer to be used for the carriage of whale oil or oil fuel, and on this understanding no exception need be taken to the proposal to remove the web frames and hold stringer which provided the necessary additional strengthening for these special cargoes.

In the circumstances I have wired you today reading as per copy enclosed.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
HELSINGFORS.
