Dear Sir,

Reference  
Classn(S)

## "UŽICE"-Postponement of Special Survey

RECEIVED  
29 JUN 1961

The above ship is now in Split and the Owners tried to arrange the dry-docking of the same anticipating that your approval will be given for a General Examination for postponement of Special Survey. Unfortunately the floating dock at Split is now undergoing repairs and the Owners have therefor decided to dry-dock the ship on return from another voyage to the SSSR in July 1961. We would be glad to receive your approval of the proposed arrangements.

Yours faithfully,

*F.B. Gray*
