RIJEKA.

Dear Sirs,

ss "UZICE" - Postponement of class

The class of this vessel is due August 1961. Owing to the fact that we have no intention to renew the class of this vessel, we make free to kindly ask you whether it is possible to prolong the value of her class for one year, (Year of grace), after which time, we anticipate, will be sold for scrap.

If you decide to carry out general survey, prior to allowing her year of grace, we inform you that the vessel will be available in the port of Sibenik or Ploce between 25th and 30th June, 1961.

Yours faithfully,

cc.zapovj. p/b"Uzice"
