8th September, 1938.

Dear Sirs,

I have received from the Society's Surveyor at Susak a letter detailing the fees and expenses chargeable upon the completion of the classification survey of the s.s. "PLAVNIK".

The amounts set forth in his letter and their division between the ports concerned have been approved, in consequence of which the Trieste account is to be credited with a fee of Dinara 9,210 and expenses of Dinara 2,440.

You should, therefore, now pass through your Rough Fee and Debit books the lira equivalent of these sums, say Lit. 3,950 and Lit. 1,050 respectively, and you will in due course receive from the Surveyor at Susak advice of the payment of the amounts in question.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
TRIESTE.
