Dear Sir,

Motorship "UNION RELIANCE".

Information has been received that this ship, which sustained extensive fire damage after collision in the Houston Ship Channel, has been sold to the Southern Scrap Material Co., New Orleans, for breaking up.

The case has received the consideration of the Committee, who have given instructions for the notation "Damaged by collision and fire 11.6.62 To be broken up" to be inserted against the ship's name in the Register Book. Please inform the Surveyor at New Orleans accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
