SIR JAMES LAING & SONS LTD.  
Yard Nos. 747/9

North Eastern Marine Engineering  
Co. Ltd. Eng. Nos. 3034/5.

s.s. "EMPIRE INVENTOR."

IT IS SUBMITTED the Wokingham Surveyors be informed the torsigraph records from the above vessel have been examined and found satisfactory. The records verify the calculations made in this Office previously, and show the 5th Order 1-node stress to be below 3,000 lbs. per sq. inch.
