(S)  
Dear Sirs,

Motorship "ANTEO"

I acknowledge receipt of your memorandum of the 27th December from which it is noted that this ship is still laid up at Rotterdam.

In view of the fact that the overdue Special, Donkey Boiler and Screwshaft Surveys have not been carried out, the Committee at their meeting today gave instructions for the notation "Surveys overdue 12.59" to be entered against the ship's name in the Register Book.

As the ship is laid up, it may be that the Owners would prefer that this should be reflected in the notation appearing in the Register Book and, if so, the Committee would be prepared to give instructions for a notation of "Laid up - Surveys overdue 12.59" to be recorded. Please inform the Owners accordingly.

Yours faithfully,

c.c. ROTTERDAM

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
GENOA.
