Dear Sirs,

Reverting to your letter of the 5th. September last respecting the Hartlepool Report No. 15896 on the boiler designated No. R. 279 made by Messrs The Central Marine Eng. Works Ltd., and intended for stock, I shall be glad if you will kindly ascertain from this firm and let me know whether this boiler has now been fitted on board a vessel recorded in the Register Book. If so, please state the name and the number in the Register Book and say also when the work was completed, so that the necessary notation may be made therein.

I am, Dear Sirs,

Yours faithfully,

Secretary.
