The Boiler Survey became due at the end of February last.

In reply to enquiry, the Owners' London Agents wrote in March last, that the vessel was seized by Spanish Nationalists in November and is therefore no longer under their control. They add that the Owner had received compensation from the Underwriters.

No information can be obtained regarding the vessel, and the Classing Committee, who had the case before them on Tuesday, 6th instant, decided to give instructions for her class to be deleted and a notation of "Seized during Spanish Hostilities" inserted in the Register Book.
