ANSWER

Date:— 29th August, 1961

I shall be glad to learn what arrangements the Owners propose making for the Special Survey, due at the end of September to be carried out.

You will note that the Main Boiler Survey also becomes due at the end of September.

Owners request that consideration be given for the postponement of the Special Survey for 12 months. Arrangements now being made for the drydocking of the vessel for General Examination, if granted, and also Main Boiler Survey.
