r Sir,

S.S. "PRECILA"

Nagasaki Report No.728 dated 5th July 1957

We are in receipt of a letter from the Owners of this ship, Messrs Wah Kwong & Co. (Hong Kong) Ltd. which they refer to the above report for commencement of the Periodical Special Survey in which it was recommended that completion of the outstanding items dealt with prior to the expiration of the Load Certificate on 30th April next. (55 due 457)

The Owners now inform us that the time-charter under which the ship is trading will expire sometime June next and consequently they are much concerned at the provision of a valid Load Line Certificate for the period May and June next.

As it is unlikely that the ship will be in this area in April we shall be pleased if you would inform the Owners direct of your consideration of this matter, if favourable then, no doubt the Owners will advise contact the Surveyors concerned at the appropriate time.

Yours faithfully,

*MacLeod*  
For the Surveyors.

Secretary,
