view

Special Survey due 7,55  
Main Boiler Survey due 1,55  
Screwshaft Survey due 6,53  
Steam Pipe Survey due 7,57

On 16.9.54 the Committee agreed to the outstanding surveys remaining in abeyance provided they are carried out before recommissioning. The vessel has remained laid up since then and the case has received the consideration of the Committee from time to time.

It is stated that the vessel is still laid up.

FRIDAY 13 MAR 1959

Laid up  
Survey ~~FF~~ overdue 7.55
