 (i) Machinery Subject/Limit by 12.63 :— See endt. dated 1.11.62
 (j) S.R.M.C due..... (k) R.S. due.....

(3) Postponements already agreed:— The H.K.G. Surveyors reported in September, 1962 that damages then found were such as to adversely affect both seaworthiness and strength of ship and recommended further examination and repairs as considered necessary before vessel left H.K.G. It was stated every likelihood that vessel would be ultimately sold for to shipbreakers and would remain at harbour anchorage meantime. On 9th November, 1962 notation "Repairs required - Class Suspended 11.62" was assigned.

(4) New Proposal:—

H.K.G. Surveyors have cabled stating Owners propose repairing damage, drydocking, and request General Examination with a view postponement Special Survey until December, 1963 (3 months after expiration of year of grace). The Surveyors ^{request} information whether any additional requirements to usual procedure. No further information given regarding completion Boiler Survey.

Technical Recommendation (Hull):— In view of (Machinery)

extent of damage sustained H.K.G. 9.62
 (refer H.K.G. Rpt 17301) & repairs which are likely
 to be required even for postponement has requested
 submitted ship be opened up & examined &
 tested as for S.S. (c) and placed in a
 satisfactory condition for a modified
 SS notation with date for 12 months RSP 19/63

G.E of machinery to be held.
 Subject of class
 against starboard boiler
 furnaces to be dealt with
 & MBS completed.
