Dear Sirs,

AH

Steamer "LEONIDAS"

I acknowledge receipt of your letter of the 26th July, the contents of which have been noted.

There is no record here of a survey having been carried out by the Society's Surveyors at Gdynia in April 1956.

I can confirm that there is no record of the propeller being repaired between April 1956 and September 1957, when an examination only was made of the propeller by the Society's Surveyors at Piraeus.

Yours faithfully,

Deputy Clerk to the Classification
Committee.
