

26th August, 1959.

PIRAEUS

8098, 101, 03, 12, 13, 14 - As recommended.

8117 "PANAGHIA" - As recommended. With reference to my letter dated 13th August and your letter of the 17th August, I have to inform you that the requirements of a General Examination have not yet been complied with for postponement of completion of the Special Survey until November, 1959. To complete the General Examination all items are outstanding with the exception of the examination of fore and aft peaks and holds and 'tween decks.

I shall be glad to learn, therefore, what arrangements the Owners propose to make to complete the General Examination.

8102 "LEONIDAS" - As recommended, except that the notations SS 6.58 and ES 6.58 have now been assigned, and that the machinery class has been continued subject to the LP cylinder foot (starboard) being permanently repaired or renewed by 10.59. The notation "Laid up - Special Survey incomplete" has now been deleted.
