Dear Sirs,

M.S. "JAVA"

Furtherto my letter of the 4th instant, I have to inform you that a Report of a Survey carried out at Valparaiso early this month has now been received in this Office.

At this time repairs to the port main engine camshaft drive chain which had been carried out at sea were examined. Following this Survey, the class has been continued subject, inter alia, to these repairs being again examined before the end of December, 1962, and I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee

The Surveyors,
