Your Reference

Dear Sir,

Our reference

m.s. "JAVA". 9333

WBS/ES

We have been approached by the Owners of the above vessel what has been recently sold for scrap to the Hong Kong Chiap Hua Mft (1947) Ltd. at Hong Kong for delivery in the middle of February at Hong Kong.

The actual contract has been signed now and the delivery date is as mentioned above and not the 20th December as previously written to you.

The vessel was granted a postponement of the Special Survey until August 1962, according to your classing letter of 3rd August, 1961 and a further postponement of the Special Survey until October next was granted by your letter of 11th May, 1962.

In view of the delivery date of this ship at Hong Kong the Owners request now to be informed about your requirements for a further postponement of the Special Survey until that date.

As the present circumstances enable them to carry a cargo from the U.S.A. to Bombay and afterwards in ballast to Hong Kong, it is the intention to drydock the ship before leaving the U.S.A. and if necessary a General Examination could be carried out at the same time in view of the requested further postponement of the Special Survey.

As the Owners have to decide very soon over this particular cargoes, an early reply on the above subject will be appreciated.

Yours faithfully,

The Secretary,
LONDON.
