Dear Sir,

'C'  
Motorship "JAVA"

DHGK/AB

With reference to Gal. Report No.7136 you should request the Surveyor to confirm that it is the starboard exhaust gas economiser to which he refers, as the port economiser is at present out of use.

An amended Interim Certificate should accordingly be issued and this should include the examination of the forced circulating pumps also outstanding for completion of the Donkey Boiler Survey.

Yours faithfully,

The Secretary,  
NEW YORK.

Deputy Clerk to the  
Classification Committee.
