Dear Sirs,

C  
HWM

## Motorship "IRINI'S LUCK"

With reference to my letter of the 29th March and our recent telephone conversations regarding this ship, I have to acquaint you that the Owners have now asked for a survey to be held at Rostock for the issue of certificates to allow the ship to proceed loaded from that port to Santandar where she will be broken up.

The Committee have today agreed to this further short postponement of the Special Survey subject to a satisfactory survey being held in accordance with the requirements set forth in my letter of the 4th February, and I have to confirm my telex message to you today confirming this decision and furnishing you with the further details requested by you.

If you will let me know in due course details of your fees and expenses, steps will be taken to have these collected here in London.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
GDANSK.
