

18th September, 1948.

Dear Sirs,

S.

Tanker "ESSO BIRMINGHAM"

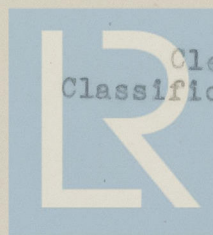

I am in receipt of your letter of the 16th instant, and in reply have to say that a First Entry Report on the hull is desired in this instance.

In explanation I would remark that the Liverpool Surveyors furnished a First Entry Report on the boilers but not on the vessel's hull, and I am therefore desired to request that you shall prepare such a report.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
FALMOUTH.
