Dear Sir,

'ESSO BIRMINGHAM' - Falmouth Report No. 10862

In reply to your Classing Letter of the 8th. inst., and further to our letter of the 3rd. inst., we have to inform you that a first entry machinery report was sent at this time but that no first entry particulars were taken for the electrical installation.

So far as we can recollect a first entry report on the boilers had been entered by the Liverpool Surveyors but we are uncertain if a first entry ship report had been submitted.

We would be obliged if you would inform us what first entry report is required.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

pro:-

Gas. Stevenson

The Secretary,
LONDON.
