

3rd January, 1949.

Dear Sirs,

S. I am in receipt of your letter of the 20th ultimo respecting the Tanker "ESSO MANCHESTER", the contents of which are noted.

In reply I have to say that having regard to the £50 already charged for General Examinations, a fee of £116 should be charged for the survey of the hull in addition to a full machinery fee of £135. As the full freeboard assignment fee was charged in 1947 one of £8 only should now be charged for the renewal of the Loadline Certificate.

Yours faithfully,

The Surveyors,  
BRISTOL.

Clerk to the  
Classification Committee.
