Reference

F Dear Sir, "ESSO MANCHESTER"

With reference to the Classification and Periodical Special Surveys now held on the above vessel, we shall be glad to know the proportion of fees to be charged against Hull, Machinery and Electrical Installation Surveys.

It is noted that an agreed fee of £300-0-0 has been arranged and that £50-0-0 has already been charged for General Examinations, but it is concluded that no deduction should be made for previous boiler and tail shaft surveys and that a separate fee should be charged for the Renewal Freeboard Survey.

Yours faithfully,  
THE SURVEYORS,  
per. *W. J. Edith*

The Secretary,  
LONDON.
