

"ESSO MANCHESTER"

The Owners have approached the Belfast Surveyors and desire to be furnished with a certificate to enable this ship to be towed to the Clyde for breaking up. Mr. Murray would like to have confirmation of our minimum requirements first thing tomorrow morning.

JMM

30th July 1963

SUBMITTED the Belfast Surveyors be informed that provided the ship is found or placed in satisfactory condition for the proposed voyage, special attention being paid to the means of closing openings, a certificate may be issued indicating that she will be unclassified for the voyage, responsibility for stability and towing arrangements rests with the Owners and the certificate relates only to the fitness of the hull to be towed.

*noted that Class  
suspended during  
this voyage. YLB 31/7/63*
