The Special Survey No.3 of this vessel became due in November, 1930.

Enquiry has been made from time to time and no action taken by the Owners as to the carrying out of the requisite inspection.

A letter from the Owners, dated 1st September last, has now been forwarded through the Society's New York Office stating that it is not their intention to maintain this vessel's classification in the Society's Register Book.

The case was before the American Committee on the 16th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
