QUESTION

With reference to your memorandum of the 20th January, I shall be glad to learn how this case now stands.

ANSWER

12/3

Date:— 10th March, 1958.

s.s. "TANLAN".

A specification has been made for the Special Survey and prices obtained from several firms. The cost has worked out higher than the Coal Board expected, and at the moment the vessel is laid up for a decision as to whether the vessel will be put through Special Survey or not. I will keep you advised of developments.
